

**Johnston Community College Small Business Center
Entrepreneur Academy**

Be a part of a growing trend. Build your foundation for starting or owning a small business while acquiring the necessary basic skills for entrepreneurship.

Are you in a big hurry to start your business or make your existing business more profitable? The **Entrepreneur Academy** will give you a good basic foundation for starting or owning a small business, even if you have a business background. Complete **all** the subjects below and a business counseling session at JCC-SBC, and receive an Entrepreneur Academy Attendance Certificate. All of the seminars and business counseling are **FREE**. Early pre-registration for each seminar is required. Students may take individual seminars but do not receive a certificate. You do not have to be an Academy participant to receive free SBC business counseling or attend individual SBC seminars. Other seminars or classes cannot be substituted in the Academy. **Attendance policy is 100% participation for each seminar on the list in order to receive a certificate (there are no class substitutions).** The Entrepreneur Academy is by application only. Call **919-209-2015 or 919-209-2224** or email sbc@mail.johnstoncc.edu for application information and requirements.

Certificate requirements include completion of the following subjects at the JCC-SBC within one semester (Spring or Fall) as offered. If the name of the seminar isn't exact, please call, 919-209-2224, for information before you register. Seminars may have a different name, but must contain the subject matter listed.

Attendance policy is 100% participation for each seminar on the list in order to receive a certificate (there are no class substitutions).
