

The Bullet Proof Mind: Mental Preparation for Combat

Featuring: **Dave Grossman**

To register, complete the attached form and fax back to 919-464-2350.

As an Army Ranger and West Point psychology professor, Col Grossman has trained thousands of military and law enforcement personnel the anatomy of a combat-warrior mindset. Col Grossman is the author of "On Killing", "On Combat", and other well-known books. Col. Grossman is a well renowned speaker and offers great insight to law enforcement survival.
