

LEAP Program Feedback

“I feel as if the LEAP Program has been beneficial to my success.”

“The LEAP Program is wonderful. Thanks for the opportunity to leap out.”

I enjoyed the class. The teacher was very knowledgeable. I am very pleased with this class.”

“I just think it’s a great way to advance to a higher level; it’s great!”

“I believe this is a very good program. I believe I have learned from it, and will recommend it.”

START SMART!

**8 weeks this summer
could lead to
semesters off
degree completion**

- LEAP classes are offered through Johnston Community College Basic Skills Unit. These classes are free of charge and do **not** count towards curriculum program credits, nor Pell Grant funding.
- There is no guarantee that enrollment will result in a higher placement for the subject; however, you will be given the opportunity to retest with the ACCUPLACER upon successful completion of the course.

SUMMER 2012

The LEAP Program

The LEAP Program is an exciting program designed to give students a refresher on important concepts and skills that may help them **place out of developmental courses**. Any student who has placed into a developmental course is eligible to participate in this program. This program helps students get started in their major as **QUICKLY** and as **PREPARED** as possible.

LEAP is a great opportunity for you to :

- Retake your Accuplacer test!
- Receive quality instruction that can help you **place out** of a 16 week developmental course.

We can save you time and money!

- Start immediately in your college level classes such as ENG 111.
- **SAVE approximately \$400 per course in tuition, fees and books!**
- Receive free study guides, worksheets and test resources.
- Receive customized information on fall advising and registration.
- Participate in our new student orientation and receive information on academic majors, financial aid, advising, and more.
- Get a head start in the transition to college.
