

JCC Summer Camps at the Cleveland Center

Beginning Piano I

Start your summer learning the fundamentals of keyboarding from an experienced instructor. Be amazed by how much progress you can make in a week.

June 13-17, 9am - 12 noon
Rising 6th - 8th graders
\$65.00

Basic Drawing

Working with drawing pencil and pad, learn drawing techniques to include: perspective, shadowing, highlighting and "the artist's eye." A good time to develop those artistic skills learning from a commercial artist. Supplies needed include drawing pad, drawing pencils, gum eraser, and charcoal stick (Cost approx. \$20.00).

June 13-17, 9am - 12 noon
Rising 6th - 8th graders
\$70.00

Camp IMPACT

(Intervene–Model–Participate–Accept–Contribute–Teach)
Blended line-up of 6 lighter and serious topics each day, ranging from solving a medical mystery to pet care.

Always a popular camp!

June 20-23, 9am – 3pm
Rising 6th - 8th graders
\$50.00

SEATS GOING FAST!

Mosaic Art

Experience the unique characteristics of creating mosaic art objects. A real fun class that produces fine results. Wonderful instructor. Supplies needed include mosaic blanks glue/grout (Cost approx. \$35.00).

July 11-14, 1pm - 3pm
Rising 6th - 8th graders
\$45.00

Art Mediums

Go beyond simple pen and ink medium. Learn techniques to work in watercolor, colored pencils/pastels, charcoal, etc. Beginners and experienced art students welcome. Supplies needed include watercolor set, pastel kit, charcoal, drawing supplies & art pads (Cost approx. \$35.00).

July 11 – 14, 9am - 12 noon
Rising 6th - 12th graders
\$58.00

The Write Stuff

Creative writing camp appealing to both beginning and experienced writers. Opportunity to write fiction, poetry, plays and TV script. Guest speaker: local published author.

July 18-22
Rising 7th - 12th graders
9am - 12 noon
\$75.00

Chorus

Opportunity to work on singing technique in an ensemble setting. Goal is to prepare for a performance on the JCC main campus.

July 18-29, 1pm - 3pm
Rising 6th - 8th graders
\$105.00

Clay Masterpieces

Learn the basics of pottery and ceramics at a full hands-on camp. Learn hand building in clay, creating & pouring molds, painting techniques, and try your hand at the pottery wheel. Supplies needed include 2 bags earthenware clay, earthenware paint glaze, 12 ceramic bisque tiles & box earthenware ceramic slip (Cost: approx. \$140.00).

July 18-22, 1pm - 3pm
Rising 6th - 8th graders
\$45.00

Beginning Piano II

A follow-up to Piano I to reinforce what you learned and practiced during the summer. A camp that will take you to the next level.

July 25-29
Rising 6th - 8th graders
9am - 12 noon
\$65.00

Real Guitar Hero

Are you a teen who wants to play real guitar...not just guitar video games? Are you a parent who wants your teen to learn an instrument, or are you looking for an awesome summer experience for your teen? Unleash your inner musician and learn the basic elements of playing guitar! No previous knowledge of the guitar is necessary for this class. In the two week summer camp for rising 6th – 10th graders, learn basic music theory, including chords, rhythm, reading tablature and playing by ear. You will learn to play popular songs from various music styles such as rock, blues, jazz, country, and gospel. Acoustic guitar preferred but not required; electric guitars are allowed with amp & headphones required. The book costs approx. \$11. August 1-11, Monday through Thursday

Rising 6th - 10th graders
9am - 12noon
\$80.00

SEATS GOING FAST!

Back to School

Focus on going back to school: time management, positive decision making, study & testing skills, critical thinking, etc. Exercise for your brain.

August 1-5
Rising 7th - 9th graders
9am - 12 noon
\$75.00
