

JCC Spring 2012 Registration Information

Spring late registration period is January 3-4, 2012.

WebAdvisor will reopen for late registration at 8:00 a.m. on January 3, 2012 and close at 11:59 p.m. on January 4, 2012.

Students who have already seen their advisor and had their academic hold removed may log-in to WebAdvisor at this time and register.

New or returning students, who have not been advised for spring and still have an academic hold, have to see their advisor in order to register through WebAdvisor.

Last day to pay for late spring registration is January 4, 2012. Students can pay for their registration online through WebAdvisor or at the Cashier's Window.

Students who register after 7:00 p.m. on January 4 have to pay using WebAdvisor.

Students who have not paid for their registration by January 4 will have their schedules deleted.

January 9 - 10, 2012 Drop/Add for registered students will be the next available opportunity to add classes.

The application deadline for spring semester was November 16, 2011.

The Admissions Office cannot guarantee enrollment into a program of study after this date. Students may have the opportunity to be admitted as Special Student status but course selection may be limited and Special Students are not eligible for financial aid.

Class availability will be limited because spring registration has been ongoing since November 1, 2011.
