Admission Criteria

Applicants must:

- Have a GPA of 2.0 or higher
- Submit completed application as required by Admissions.
- Submit official transcripts from high school and all colleges.
- Have a high school diploma or equivalent.
- Meet requirement for Biology or Chemistry with grades of C or higher.
- Meet requirements to place into English 111 and Math 110 with grades of C or higher.

**Note:** Johnston Community College will be part of a new developmental education initiative beginning in fall 2020. Applicants applying for 2021 fall admission will be held to new requirements. Fall 2020 applicants must be eligible to enter the program required gateway (college-level) English and math courses without a co-requisite or have successfully passed English and math transition course(s) prior to entry into the program.

- Applicants are admitted on a first-come-first-served basis. If accepted, students must:
  - Attend a Connect session as scheduled by the College.
  - Attend a mandatory program orientation prior to the first day of class of the first fall semester as scheduled by the Program Director.
  - Submit documentation of physical and emotional health as directed by affiliating clinical agencies by September 30th of the first fall semester.
  - Submit to criminal background check and random drug screenings as directed by affiliating clinical agencies by September 30th of the first fall semester. **Note:** *Information obtained from the criminal background checks and drug screenings could jeopardize the students’ ability to participate in clinical experiences, to complete the program and to be certified, registered and employed as pharmacy technician.*
  - Submit documentation of required immunizations as directed by affiliating clinical agencies.
  - Submit documentation of healthcare provider CPR certification by September 30th of the first fall semester. **Note:** *This unexpired CPR certification must be an American Heart Association BLS Provider course or an American Red Cross BLS for the healthcare provider course. Online CPR certification courses are not accepted.*
  - Submit documentation of health insurance prior to January 1st of the first spring semester.
In order to progress in the program:

- Students must maintain a grade of C or better in each PHM course.
- Students must maintain current health insurance and healthcare provider CPR certification, and must complete annual TB (PPD) tests, annual influenza vaccinations, and any immunizations and tests required by the colleges and the affiliating clinical agencies.
- Students must submit to criminal background checks and drug screenings required by the affiliating clinical agencies.
- Students must adhere to the college academic integrity policy.
