

Johnston Community College recently entered into an educational partnership with Chamberlain University/Chamberlain College of Nursing. The partnership provides you with full access to Chamberlain's online nursing degree programs and options at a savings, including:

- 10% off tuition for the Chamberlain online RN to BSN degree completion option, RN-BSN to MSN option, MSN degree program and Graduate Certificate programs. Additional savings may apply for applicable military affiliations.
- Waived application fee
- Complimentary official transcripts request and review service

### **Online On Your Time**

- You'll have 24 hour access to:
  - Coursework
  - Library and associated databases
  - Complimentary tutoring assistance
  - Academic support designed for online students

### **RN to BSN Degree Completion Option**

- Complete your degree in as few as three semesters – 100% online
- No on-site clinical requirements
- No group projects
- No prerequisites required
- No mandatory log-ins
- Earn 77 proficiency credit hours (possibly more based upon complimentary transcript review)
- Take one or two classes per eight weeks

### **RN-BSN to MSN Option**

- BSN and MSN degrees are conferred at the same time
- Cost-effective – complete both degrees in as few as nine semesters

### **Master of Science in Nursing (MSN) Degree Program**

- Complete your degree in as few as six semesters
- Learn from nationally-recognized faculty
- No group projects
- No mandatory log-ins
- No entrance exams required
- Take only one class at a time
- Five specialty tracks to choose from:
  - Educator
  - Executive
  - Healthcare Policy

- Informatics
- FNP

### **Graduate Certificate Programs**

- Two specializations to choose from:
  - Nursing Education
  - Nursing Informatics
- Available with or without practicum
- All courses from the CCNE-accredited MSN degree program

DNP currently not offered in NC but subject to change at any time.

### **About Chamberlain**

- Chamberlain College of Nursing has been providing excellence in nursing education for more than 130 years
- Chamberlain College of Nursing is the largest nursing college in the country and has the largest FNP program nationwide
- Chamberlain College of Nursing is accredited by The Higher Learning Commission (HLC, [www.hlcommission.org](http://www.hlcommission.org)). The Bachelor of Science in Nursing degree program and the Master of Science in Nursing degree program at Chamberlain College of Nursing are accredited by the Commission on Collegiate Nursing Education (CCNE). Accreditation provides assurance to the public and to prospective students that standards of quality have been met.
