JOHNSTON COMMUNITY COLLEGE
MEDICAL ASSISTING

ADMISSION POLICY

Applicants are admitted under provision of the admission policies of Johnston Community College and the Medical Assisting Program as specified in the Johnston Community College Catalog. Applicants are selected on the basis of their achievement potential through the use of previous academic records based on the number of available seats in the program. The Medical Assisting program offers a Diploma and an Associate Degree option during the day. Applicants have the option of enrolling in the College any semester to begin taking Pre-Medical Assisting classes or meeting program admission requirements.

NOTE: The deadline for the Medical Assisting program has been extended until May 15, 2020. Applicants who applied on or before April 1, 2020 deadline date will be given consideration first.

In order for a student to be considered for admission to the Medical Assisting Program, Phase I must be completed prior to 5:00 pm, May 15, 2020 (NEW application deadline) of the year of application entrance. If the deadline date falls on a week-end, all materials and documents are due The Friday before the deadline.

The College reserves the right to extend the application deadline when warranted.

PHASE I: Application and Admission Process (REVISED Deadline date: May 15, 2020, 5:00 pm)

*Attend a mandatory Health Science Information Session (Please bring a copy of the Program Admission Policy to the session). Please view the Medical Assisting web-site-Information Session for dates and times.

*Submit a completed application to Johnston Community College

*Submit official high school and all colleges attended transcripts to the Student Services Office.

*Attend or complete a Health Science Information Session.

*Complete a connect session on campus or virtual.

*Demonstrate college readiness for gateway English (ENG 111) and gateway Math (MAT 110) by completing one of the following steps prior to applying to the Medical Assisting program:
  • Graduated from a US high school with an unweighted GPA of 2.8 or higher within the last (10) years at program entrance.
  • Transfer college credit for English and Math equivalent to program requirements.
  • Hold an associate or bachelor’s degree from a recognized accredited college.
• Complete ENG 002-tier 2 and MAT 003-tier 1 if required to meet RISE English and Math placement.
• Provide placement test scores taken in the last (10) years from other colleges attended.

*Applicants with previous college credit must have a 2.0 or higher cumulative grade point average at the last college attended (including JCC) and have met college readiness for ENG 111 and MAT 110.

*Official transcripts from high school and all colleges sent to the College. Have graduated or will graduate from high school or the equivalent, as recognized by the State of North Carolina, before entering the Medical Assisting Program.

*All foreign transcripts (secondary and post-secondary) must be evaluated by a JCC recognized evaluation company at the student’s expense. For specific details, see International Transcript information in the College catalog.

**Applicants must complete all of Phase I to advance to Phase II**

PHASE II: Program Application, Point Ranking and Notification of Acceptance

• Submit an intent to apply form (can only be received by attending information session in Phase I) Intent to apply forms are available beginning September 1 of the prior admitting year. The following forms must be submitted to the Admissions Office no later than 12:00 noon on May 15, 2020 (in a packet):
  ▪ Intent to apply form
  ▪ Copy of CNA certificate of completion (optional, to obtain points).
  ▪ Copy of North Carolina Nurse Aide Registry listing (optional, to obtain points).

  **Incomplete packets cannot be processed**

• Applicants are admitted to the Medical Assisting based on a point ranking system. Applicants can receive points by completing related course work in the Medical Assisting program and/or completing an approved CNA class (optional).
  ❖ To qualify for CNA points: Applicants must have successfully completed a Certified Nurse Aide I Program. Additional points can be earned by currently listed on the North Carolina Nurse Aide I Registry with no substantiated findings of resident abuse, resident neglect or misappropriation of resident property in a Nursing Facility. The Certified Nurse Aide I Training Program must include theory, lab, and clinical components. The applicant must provide a copy of the certificate of completion from an approved program. Applicants must be listed on the registry by April 1st (optional, only to obtain additional points). Points are given for completing the class and additional points for listed currently on the North Carolina Nursing Aide I Registry.
• All applicants will be ranked according to the highest to the lowest points. The number of applicants accepted to the program depends upon availability of seats. In the case where two or more applicants have the same number of points, grade point average will determine point ranking. Only courses that have been completed, with a grade of A, B, or C, by the deadline will be used in the point ranking process.

• Receive notification of provisional acceptance by mail to those who completed the ranking review in late May or early June. Applicants not admitted will be placed on stand-by.

• The student accepted to the Medical Assisting Program must:
  o Return acceptance to the Admission Office within five (5) days of the date of the letter.
  o Attend a mandatory program orientation on the designated date.
  o Show documentation of physical and emotional health by the student’s primary care provider. (College approved forms will be distributed at orientation).
  o Show evidence of current Healthcare Provider CPR certification (infant, child, and adult) through the American Heart Association prior to entering the Medical Clinical externship, summer semester.
  o *Submit to criminal background checks and initial and random drug screenings as directed by affiliating clinical agencies. Criminal background checks and drug screenings must be completed through the College’s designated service provider. The student will incur the cost of the criminal background checks and drug screenings.

* Information obtained from the criminal background checks and drug screenings could jeopardize the student’s ability to participate in clinical experiences and would result in the inability of the student to complete the program.

*The application for the certification examination with the AAMA contains questions as to whether or not the applicant has ever been convicted of a misdemeanor or felony excluding minor traffic violations. If the answer is “yes” the applicant is asked to provide an explanation. The certification application also asks if a student has received sanctions that are result of a violation of academic honor codes based on these questions.

Deferred Action of Childhood Arrivals (DACA)
NOTE: Neither federal law nor North Carolina law permits undocumented individuals or those with DACA (deferred action for childhood arrivals) classification to receive professional licenses. See 8 U.S.C. § 1621(a) and (c)(1)(A). This does not prevent a DACA student from enrolling in a Health Science program but will prohibit the student from receiving a professional license. In addition, State Board of Community College Code 1D-SBCC 400.2 Students lawfully present in the United States shall have priority over any undocumented immigrant in any class or program of study when capacity limitations exist.
The College reserves the right to change any restrictions or program requirements at any time. Every effort is made to provide a one-year notice however, changes or revisions that occur as the result of accreditation or approval body standards and criteria may be implemented with limited notice.
